

Are your students struggling with period poverty?

Period poverty is a lack of access to sanitary products and menstrual hygiene education. 1 in 5 girls have missed school because they do not have access to these products. As a result, the statewide MNEA Women's Issues Committee is dedicated to ensuring that Missouri students have access to these products. We are able to provide financial assistance through the generous donations of our members.

purchasing products for your school.

Donations are collected at the Fall & Spring RA.
Contact Joyce Bluett @ joyce_bluett@yahoo.com if
you want to contribute outside of these events.
